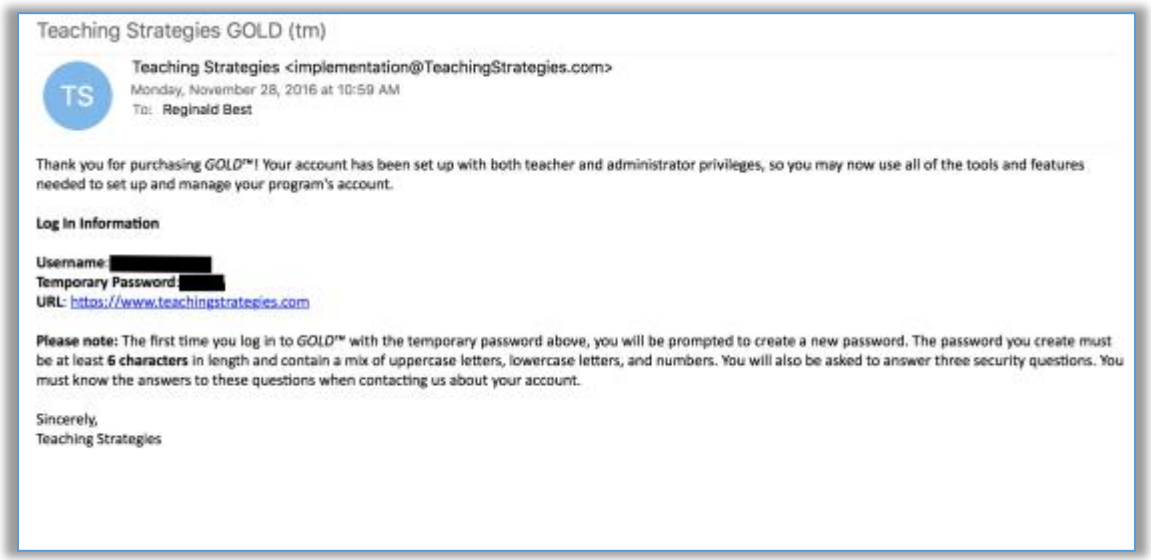
MyTeachingStrategies™ Online Professional Development

Welcome to *MyTeachingStrategies™* Online Professional Development!

Below, you'll find step-by-step instructions that will walk you through how to access your Online Professional Development system.

Logging into the Online Professional Development System

An automatic email has been sent to your email box that includes your Online Professional Development login credentials. A sample of that welcome email is included below:



Teaching Strategies GOLD (tm)

To: Reginald Best

Thank you for purchasing *GOLD*™! Your account has been set up with both teacher and administrator privileges, so you may now use all of the tools and features needed to set up and manage your program's account.

Log In Information

Username: [redacted]
Temporary Password: [redacted]
URL: https://www.teachingstrategies.com

Please note: The first time you log in to *GOLD*™ with the temporary password above, you will be prompted to create a new password. The password you create must be at least **6 characters** in length and contain a mix of uppercase letters, lowercase letters, and numbers. You will also be asked to answer three security questions. You must know the answers to these questions when contacting us about your account.

Sincerely,
Teaching Strategies

1. In order to log into the Online Professional Development system, go to www.TeachingStrategies.com.
