My Courses

A few courses are included with your **GOLD®** subscription and are a great way to begin to understand how to get the most out of **GOLD®**. We recommend starting with **GOLD®** Introduction (2 hrs), then Introducing **MyTeachingStrategies®** (2 hrs), and then Objectives for Development and Learning (also included with a purchase of *The Creative Curriculum®*; 10 hrs). Once you've made your way through the complimentary courses, we recommend Implementing **GOLD®** in **MyTeachingStrategies®** as a helpful next step.

To access your courses, select **MY COURSES** from the sub-navigation of the Develop area.

Click on a bubble to begin that course.

The screenshot shows the 'My Courses' page in the MyTeachingStrategies interface. At the top, there is a navigation bar with icons for Teach, Assess, Develop, Report, and Family. The 'Develop' icon is highlighted. Below the navigation bar, the page title is 'My Courses' and it shows '0 credits available'. The main content area displays a grid of course bubbles, each with a circular image and text. The bubbles are arranged in a grid, with some bubbles partially obscured by others. The bubbles include the following information:
