

# Lay the Foundation for Year-Round Success.

The first six weeks of school lay the foundation for the rest of the year. A nurturing classroom community can help children develop critical social-emotional skills and pave the way for rich, meaningful math and literacy development all year long.

## An Opportunity to Explore

With *The First Six Weeks: Building Your Preschool Classroom Community* you'll get everything you need to create a positive classroom community during the first six weeks of school, from research-based *Foundation Volumes* to *Daily Resources* to help you plan your day. It's also your chance to try out *The Creative Curriculum*®'s unique approach to learning in your preschool classroom. Adapted from *The Creative Curriculum*® for Preschool, which has been trusted by the early childhood field for 40 years, this brand-new resource provides in-depth guidance, tools to support your daily practice, and an introduction to hands-on, project-based investigations.

Use it on its own or as a supplement to your existing curriculum—either way you'll be laying the groundwork for a successful school year!
