Creating Consistency in Developmentally Appropriate Learning—In the Classroom and Online

For over 40 years, *The Creative Curriculum®* has been supporting early childhood educators in elevating the quality of their programs. As a comprehensive, research-based curriculum, it features exploration and discovery as a way of learning. It promotes positive child outcomes through engaging, meaningful, and individualized experiences.

*The Creative Curriculum® Cloud* takes our leading early childhood curriculum resources online to support educators as they bring a content-rich, developmentally appropriate curriculum to life in an early childhood classroom or at home in partnership with families.

More than a digital curriculum, *The Creative Curriculum® Cloud*...

- supports both teachers and families with **developmentally appropriate** learning experiences regardless of setting—distance learning, traditional classroom or a hybrid model.
- enables **quick, efficient, and secure communication** between teachers and families.
- includes **powerful weekly planning tools** for teachers that leverage curriculum and assessment data to facilitate **informed, individualized instruction**.
- provides **24/7 access** to all curriculum resources on any device along with **content updates** to curriculum as soon as they become available.
- focuses on **social–emotional learning** while delivering **academic rigor** alongside cognitive skills, meaningful interactions, and physical well-being in a whole-child approach to learning.
Digital tools that transform planning, communication, and family engagement

The Creative Curriculum® Cloud provides digital functionality that streamlines and strengthens planning, teaching, and communication practices. It offers more than digital access to print curriculum resources—it provides dynamic planning tools that help to individualize instruction, facilitates communication between teachers and families, streamlines weekly planning processes, and offers access to new family-facing resources to build consistency in learning experiences.
