

Top 10 Ecosystem Highlights for 2022

Here are the top 10 co-created innovations delivered within the only connected ecosystem for early childhood education.

1 Teacher Membership

Research shows that children who are able to regulate, or manage, their emotions and behaviors do better in school.

I agree! That's why I'm dedicating time every day for social emotional learning.

Basics of Inclusion

2 Coach Membership

Hi, Paula!

Tip of the Week

Using Positive Guidance for an Inclusive, Collaborative Classroom

4 Preschool Cloud Day View

A new Day View provides access to everything you need to teach for the day, eliminating the need to track down Mighty Minutes®, Intentional Teaching Experiences, or even studies, and simplifies planning and teaching. Teachers with The Creative Curriculum® Cloud for Preschool can access and adjust their daily plan, including by adding Daily Resources and custom resources, anytime, anywhere. An improved custom activity library makes it easier to quickly add custom activities. Now you can teach from Teach.

5 Preschool Investigation & SEL Playlists

For classrooms with The Creative Curriculum® Cloud or GOLD®, curated, multimedia playlists, available in English and Spanish, directly support classroom instruction. Filled with family-friendly ReadyRosie® video activities, digital children's books, and family Mighty Minutes®, social-emotional learning playlists are automatically sent to families each month, and playlists for each preschool investigation are automatically sent to families on the first day of each planned investigation via the family mobile app.

6 The Essentials and Kodo Kits

Designed to enhance implementation of The Creative Curriculum® for Preschool, The Essentials Kit includes essential classroom materials to seamlessly guide instruction and meaningful daily learning experiences in all areas of your classroom. The Kodo Kit complements your essentials with high-quality, durable, open-ended classroom materials designed to elevate learning and enhance the classroom experiences.

7 Noni™

Provide innovative support for building trauma-sensitive classrooms. Support teachers with a research-based, relationship-focused digital coach that helps them build trauma-sensitive learning environments and understand, manage, and predict challenging behaviors.

8 More ReadyRosie® Modeled Moments

Engage families in their children's learning with 70 new Modeled Moment videos (in English and Spanish) aligned to investigative studies from The Creative Curriculum® for Preschool on STEAM and SEL topics. Provide over 1,500 videos with ReadyRosie®.

9 Free Teacher Toolkit

The Ready. Set. Go! Teacher Toolkit is a curated set of resources that provide focused support for new teachers who are preparing for the important work of becoming early childhood educators and for experienced teachers who are looking for a little extra help this school year.

10 The Elevated GOLD® Experience

With new actionable insights, streamlined workflows, mobile optimization, and fewer clicks, GOLD® is easier to use every day. Enhanced abilities to add and view documentation, a new At-A-Glance dashboard, and improved checkpoints provide a better formative assessment experience for early childhood educators everywhere.
